## **About Arbordale Publishing**

Arbordale Publishing is on a mission to inspire a love of reading together with science and math literacy for young children through picture books. Because we take the science and math part of our mission seriously, books are vetted for accuracy by experts in the field prior to publication. Each title also contains extensive back matter that helps teachers with time-saving lesson ideas, provides extensions for science, math, and social studies units, and uses inquiry-based learning to help build critical thinking skills in young readers. Our read-aloud, multilingual ebooks read in English, Chinese, and Spanish with word highlighting and audio speed control to promote oral language skills, fluency, pronunciation, text engagement, and reading comprehension. Now, tap the animals and other things that make noise to hear their sounds.

### **About Arte Público Press**

Arte Público Press is the oldest and largest publisher of U.S. Hispanic literature, publishing books for all ages, from kindergarten to university. The press was the original publisher of Sandra Cisneros' THE HOUSE ON MANGO STREET and has published authors such as Nicholasa Mohr (NILDA, IN NUEVA YORK), Gary Soto, and Luis Valdez (ZOOT SUIT, LA BAMBÁ). Its imprint for children and young adults, Piñata Books, was launched in 1994 and seeks to publish children's literature that authentically and positively reflects U.S. Hispanic culture. Under the imprint, the press publishes bilingual picture books, bilingual "flip" books for intermediate readers, and novels in either English or Spanish for teens.

## **About AV2 by Weigl**

In 2010, Weigl Publishers launched a digital strategy called AV2 (av2books.com), which was the first—and still the only—media-enhanced book product in the school market. Some 600 titles are produced each year for the AV2 imprint. In addition to standard subjects like math, social studies, and science, AV2 has a large collection of fiction and Spanish titles. In 2017, launched the ground-breaking AV2 World Languages collection. Each AV2 World Languages printed title includes six eBooks in six different languages. Readers can easily switch between languages with a simple click and watch as the current page is translated into another language before their eyes.

## **About Barron's**

Founded in 1941, Barron's Educational Series, Inc. rapidly became America's leading publisher of test preparation manuals and school directories. Among the most widely recognized of Barron's many titles in these areas are its SAT and ACT test prep books, its Regents Exams books, and its Profiles of American Colleges. In recent years, Barron's has expanded into many other publishing fields, introducing extensive lines of children's books, foreign language learning books, pet care manuals, gift books, cookbooks, business and financial advice books, parenting advice books, and art instruction books with companion on-line videos.. On average, Barron's publishes more than 300 new titles a year and maintains an extensive backlist of well over 2,000 titles.

## **About Bearport Publishing**

At Bearport Publishing, we believe that books with good writing and amazing photos are irresistible to kids. We also believe that providing kids with books they want to read is one of the surest ways to foster reading achievement. These two principles guide the development of all our curriculum-aligned books for children in grades PreK-8. Bearport's titles have received many accolades, including Children's Choices, Teachers' Choice Awards, and honors from the NSTA, NCSS, ASPCA, and AEP.

## **About Bella & Harry, LLC**

We are a young company specializing in the genre we refer to as “children’s educational fiction”. As such, our Adventures of Bella & Harry series of children’s books is an informative, interactive and exciting way to introduce children to travel, different countries, customs, history and landmarks. The educational value of our books is cleverly disguised amidst dozens of illustrated pages which are sure to win the hearts of young readers. The Bella & Harry series chronicles the escapades of a pup named Bella, her little brother Harry and their family, who travel the world exploring the sights and sounds of new, exciting cities. Traveling the world with these two cute and cuddly Chihuahuas will allow the inquisitive reader to gain an appreciation of the world and its cultural diversity.

## **About Bellwether Media**

Bellwether Media creates lifelong readers with world-class juvenile nonfiction. Each of our imprints is designed to spark interest while building valuable literacy skills in elementary-aged children. High-interest subjects, stimulating photography, intuitive teaching tools, and gripping narratives enable emergent and reluctant readers to bridge the gap between curiosity and reading success. We search far and wide for the most vivid photographs. We craft narratives out of the most fascinating and significant facts. In addition, we create designs with readers in mind, catering to curiosity and feeding their hunger to learn.

### **About Black Rabbit Books**

Black Rabbit Books has targeted the Hi Lo market with its new imprints featuring the infographic driven Bolt Readers and fun and mischievous Hi Jinx books (the books that every Wimpy Kid wants to read). We are very interested in meeting anyone who wishes to re-vision our material into other markets (retail, international). Between Black Rabbit Books (2,000 titles) and RiverStream Publishing (paperbacks for classrooms) (3,000 titles) we publisher 400 books a year.

## **About Boyds Mills Press**

Boyds Mills Press, Calkins Creek and Wordsong are imprints of Highlights for Children. BMP's picture books, chapter books, novels, and nonfiction focus on excellent storytelling, imaginative illustration, and strong characters. Calkins Creek publishes both nonfiction and historical fiction that introduces children to the many people, places, and events that have shaped U.S. History. Calkins Creek titles present multiple points of view through original and extensive research, and each innovative and skillfully written book uses primary sources, such as timelines, bibliographies, historical notes, and glossaries. WordSong is the only children's imprint in the United States specifically dedicated to poetry. WordSong titles capture the vibrant, unexpected, and emotional connections between text and young readers.

## **About Candlewick Press**

In 1992, Candlewick Press opened its doors as an independent children's publisher, and remains independent today. As part of Walker Books Group, Candlewick enjoys a unique ownership structure which includes more than 100 employees in our US office, staff in our UK and AUS offices, plus more than 150 authors and illustrators.. Candlewick arrived on the scene with some of the highest-quality picture books anywhere. And in the years since then, our offerings have grown to encompass all ages, from board books to e-books, high-end novelty to cutting-edge fiction. What hasn't changed is our goal of excellence, our model of independence, and our commitment to the authors and illustrators who create our books and the readers who love them. Twenty five years and more than 2,000 awards and accolades later, we are as committed as ever to independent thinking and primed for a future that looks brighter than ever.

## **About Charlesbridge**

As an independent publisher, Charlesbridge made its debut in the book community as a purveyor of educational titles, catering almost exclusively to the needs of teachers and classroom librarians. Producing imaginative books that make creepy, crawly bugs less scary, guide students through forests and undersea worlds, invite children to new lands, and introduce readers to new people, it is our continued mission to provide titles with accurate information that promote a positive world view and embrace a child's innate sense of wonder and fun. We have published nursery rhymes, bedtime stories, novels, biographies, and books about the natural world, history, mathematics, science, and more. We have published fiction and nonfiction for children in paperback and hardcover, in board and e, for the adult market through our Imagine! Imprint, and most recently for YA readers with CharlesbridgeTEEN. Our books have become synonymous with discovery and fun in the classroom, library, and home.

## **About DUNDURN PRESS**

Dundurn is growing our Children's and Young Adult lists and have seen notable successes with such titles as Myles and the Monster Outside (Shortlisted: Forest of Reading Silver Birch Award, Hackmatack Children's Choice Book Award); Reading the Bones (Silver Birch); Red Wolf (Silver Birch, Moonbeam Children's Book Award, CCBC Books for Kids & Teens Selection); and Something Wiki (Young Author's Award, CCBC Books for Kids & Teens Selection). Our recent list includes Rick Revelle's Algonquin Quest series, which concluded in 2017 with Algonquin Sunset, has been commended as a Top Grade classroom selection and been recognized for its thoroughly researched and culturally grounded representation of pre-European First Nations societies and languages in a series appropriate for children. Our Weird Stories Gone Wrong series of children's books for reluctant readers has sold almost 9,000 copies, earning over \$42,000 in revenue, and in 2018 we will be publishing two new instalments.

## **About Firefly Books**

Firefly Books Ltd., established in 1977, is a North American publisher and distributor of non-fiction books for adults and children. More particularly, our aim is to bring readers beautifully produced books written by experts at reasonable prices. Firefly Books has particular strengths in natural history, astronomy, gardening, cookbooks, health, pictorial books, reference books (especially for children) and sports. Firefly also works closely with some of the world's best publishers to bring an extensive range of books to all ages and reading abilities. Our children's titles are second to none. As well as publishing its own books, Firefly provides distribution and marketing for companies with philosophies and publishing programs similar to our own. Robert Rose Inc., and Mikaya Press are among our client publishers as well as Fitzhenry & Whiteside (for USA only).

## **About Galaxy Press**

Publisher of L. Ron Hubbard's complete fiction library, including perennial and New York Times bestsellers such as *Battlefield Earth*, *Final Blackout* and *To the Stars* and the annual *Writers of the Future* anthology, featuring new authors selected by a panel of blue ribbon judges, along with educational essays on writing and illustration. The titles are great cross over fiction for young adults—both advanced readers in middle schools & reluctant readers in high school. They are high interest stories that help ignite a love for reading. Titles are Lexile rated and free educational aides are available.

## **About Gale/Cengage**

Gale Reference For over 60 years Gale, a part of Cengage Learning, has been a leading producer of award-winning and widely-reviewed reference material. Virtually every K-12 school, university and public library in the United States uses Gale products. Gale Reference products range for the recently released Encyclopedia of Islam and the Muslim World, 2nd Edition to the annual College Blue Book, and the on-going For Students series. Thorndike Press Thorndike Press publishes more bestsellers than any other publisher – in Large Print. Studies have shown that Large Print enhances understanding, engagement and comprehension increasing reading fluency especially for struggling readers and ESL students. Many titles are released simultaneously with their regular print editions, often with the same cover. Thorndike Press offers a range of Young Adult titles, including Newbury Award winners and new work from John Green, Rick Riordan, JK Rowling, Veronica Roth, Lois Lowry, and many others.

### **About Greenwood Books**

Groundwood Books is an independent Canadian children's publisher based in Toronto. Our authors and illustrators are highly acclaimed both in Canada and internationally, and our books are loved by children around the world. We look for books that are unusual; we are not afraid of books that are difficult or potentially controversial; and we are particularly committed to publishing books for and about children whose experiences of the world are under-represented elsewhere.

## **About Holiday House**

Holiday House is the award-winning publisher of quality fiction and nonfiction for pre-K–YA. Since 1935, this first American children’s-only publishing house has created books of the highest quality that entertain, enlighten, and educate and that have been recognized with Caldecott, Newbery, and Coretta Scott King honors, among others. Our backlist has more than 850 hardcovers and paperbacks, including STEM; the I LIKE TO READ® series for emergent readers; and books celebrating diversity. Our esteemed authors and illustrators include David A. Adler, Mary Amato, Tedd Arnold, Tomie dePaola, Russell Freedman, Mordicai Gerstein, Patricia Reilly Giff, Gail Gibbons, Trina Schart Hyman, and Eric Velasquez, among others. In 2018, Holiday House launches Margaret Ferguson Books and Neal Porter Books. Our logo of the little boy, drawn by Ernest H. Shepard for THE RELUCTANT DRAGON by Kenneth Grahame, represents the love of reading developed in childhood—a driving force in everything we do.

## **About Jump!, Inc**

Jump! publishes children’s nonfiction with a focus on curriculum-aligned subjects for emergent through early-fluent readers. Our imprints: Tadpole books are created to support reading instruction. With F&P levels A-E, all Tadpole books feature age-appropriate subjects, vibrant photographs, and thoughtfully crafted text to help the youngest students learn to read their very first nonfiction books. Bullfrog Books are designed for beginning readers in grades K-3. With ATOS levels of 1.0 or lower, Bullfrog Books help readers understand key features of text, build vocabulary, identify main topics and themes, and explain how images contribute to and clarify a text. Pogo focuses on early STEM topics and is intended to pique children's interest in science, technology, engineering, and math. Written at a second grade reading level, each title is packed with infographics, sidebars, activities, and bright, colorful spreads that appeal to young readers.

## **About Owlkids Books**

Owlkids Books publishes entertaining, high-quality books for children aged 3-13. We strive to nurture the potential of children and install a love of reading and learning—about themselves and the world around them. With bestselling picture books like *You Are Stardust*, *The Flat Rabbit* and *Windblown*, middle grade non-fiction like *It's Catching*, *Why Do We Fight?* and *Starting from Scratch*, Owlkids has developed a reputation for taking on big ideas and being able to communicate them effectively to children. We ensure just the right tone and enough humour to be sure kids have fun when they read our books.

## **When do you announce new titles and in what format?**

We publish seasonal catalogs in September for Spring and April for Fall with the addition of an annual backlist catalog.

## **About The Creative Company**

The Creative Company was founded in 1932 and initially produced maps and diagrams for teachers and students, chalk game sets, and rubber stamps. By the 1960s, Creative were a leading children's publisher, creating magnificently illustrated school and library books on a multitude of subjects ranging from science to sports. Today, the company is led by third-generation owner and publisher Tom Peterson and features four imprints: Creative Education (nonfiction series), Creative Editions (picture books), Creative Paperbacks (soft cover versions of nonfiction and picture books), and Creative Digital (ebooks). We pair clear and compelling written content with the best photos and brilliant illustrations and set the combination in an innovative, colorful design for a present-like package. Pick up a Creative book, and your eyes and fingers will recognize the difference. High standards, high quality, high reward.

## **About TOON Books**

This year TOON Books is celebrating 10 years in publishing our high-quality comics for kids. We specialize in award-winning beginning readers for K-3 and also graphic novels and visual narratives for middle grade. All of our books are leveled using F&P and Lexile and we offer free lesson plans for every title on our web site. Today, thanks to the embrace of many school teachers and librarians, children's comics are one of the most vital area of publishing. Our packaged book sets are now used in more than 1200 schools across the country and our paperbacks are widely used by educational wholesalers in leveled and thematic classroom library collections. We are also now publishing our books in Spanish editions.
