About Arbordale Publishing

A picture book approach to child literacy, language learning, math and the sciences! Arbordale publishing offers fiction, nonfiction, and narrative nonfiction picture books that include a 4-page For Creative Minds section in the back of each book and a 30-page cross-curricular Teaching Activity Guide online. Each title is vetted by experts and designed to encourage parental engagement. The extensive back matter helps teachers with time-saving lesson ideas and extensions for science, math, and social studies units, and uses inquiry-based learning to help build critical thinking skills in young readers. The Spanish translation supports ELL and dual-language programs. The enhanced ebook reads-aloud in both English and Spanish with word highlighting and audio speed control to promote oral language skills, fluency, pronunciation, text engagement, and reading comprehension.

About Barron's Educational Series, Inc

Founded in 1941, Barron's Educational Series, Inc. rapidly became America's leading publisher of classroom test preparation manuals, study guides, and school directories. More recently, it has expanded to include educational and online test-preparation. Among the most widely recognized of Barron's many titles are its SAT, AP, and ACT test prep books, its New York State Regents Exams & Answers books and its Profiles of American Colleges. Barron's has also expanded into many other publishing areas, introducing extensive lines of children's learning materials and picture books, foreign language books with audio components, art instruction books, business and financial advice books. On average, Barron's publishes up to 300 new titles a year, including updated editions of its standard popular titles. Barron's maintains an extensive backlist of well over 2,000 titles. Barron's books are instantly recognized by educational book buyers for their reliability and quality, and by retailers, and the reading public everywhere.

About Bella & Harry, LLC

Our genre is “children’s educational fiction”. The Adventures of Bella & Harry is a children’s book series chronicling the escapades of a pup named Bella, her little brother Harry and their family, who travel the world exploring the sights and sounds of new, exciting cities. The “Bella & Harry” series is an informative, interactive and exciting way to introduce children to travel, different countries, customs, history and landmarks with the educational value of the books cleverly disguised amidst dozens of illustrated pages. Current formats are hardcovers, eBooks and audiobooks. Softcovers are forthcoming. Spanish translations of all current titles (20) will be completed shortly and, going forward, Spanish and English versions will be released simultaneously. Lesson plans and other teaching tools are available for free download from our website: BellaAndHarry.com We are Publishing Partners with both Reading Rainbow and Lexile. Bella and Harry plush toys (manufactured by MerryMakers) are also available.

About BLACK RABBIT BOOKS / RiverStream Publishing

Black Rabbit Books and RiverStream Publishing together sell \$3 million worth of books to schools every year through wholesalers and direct representation. We publish on average 150 hardcovers, and 150 paperbacks each year -- with paperbacks generally published 1 season behind hardcovers. We have three popular literacy programs in circulation within schools: Sparks and Sparks Spanish (100 books), Smart Apple Learnabouts (130 books) and the Little Book of Answers. These programs representing F&P levels primarily at A - G...account for 1/2 of our paperback sales each year (and are worth knowing about). This year we introduce a new line of branded infographic readers BOLT (60 titles)....

About Boyds Mills Press

Boyds Mills Press publishes a wide range of high-quality fiction and nonfiction titles for young readers. Boyds Mills Press's picture books, chapter books, novels, and nonfiction focus on excellent storytelling, imaginative illustration, and strong characters. Calkins Creek publishes both nonfiction and historical fiction that introduces children to the many people, places, and events that have shaped U.S. History. Calkins Creek titles present multiple points of view through original and extensive research, and each innovative and skillfully written book uses primary sources, such as timelines, bibliographies, historical notes, and glossaries. WordSong is the only children's imprint in the United States specifically dedicated to poetry. WordSong titles capture the vibrant, unexpected, and emotional connections between text and young readers. Some of the well-known poets who publish under the WordSong imprint include Nikki Grimes, J. Patrick Lewis, Jane Yolen, Marilyn Nelson, and Marilyn Singer.

About Charlesbridge

As an independent publisher, Charlesbridge made its debut in the book community as a purveyor of educational titles, catering almost exclusively to the needs of teachers and classroom librarians. Producing imaginative books that make creepy, crawly bugs less scary, guide students through forests and undersea worlds, invite children to new lands, and introduce readers to new people, it is our continued mission to provide titles with accurate information that promote a positive world view and embrace a child's innate sense of wonder and fun. We have published nursery rhymes, bedtime stories, novels, biographies, and books about the natural world, history, mathematics, science, and more. We have published fiction and nonfiction for children in paperback and hardcover, in board and most recently in electronic format and for the adult market through our Imagine! Imprint. Our books have become synonymous with discovery and fun in the classroom, library, and home.

About Consortium Book Sales & Distribution

Consortium currently represents more than 90 independent publishers from the United States, Canada, the UK, Continental Europe, India, and Australia, enabling these publishers to reach the diverse North American trade and academic audiences for their books. Consortium's staff understands the importance of ideas; our aim as a distributor is to introduce those ideas—some that may not otherwise be heard—to the wider world. Consortium's work stems from an award-winning literary tradition and the company has built on that background to expand into other areas. We are delighted to be able to foster innovation and excellence in a variety of publishing fields, especially politics, history, social studies, theater, GLBT, art and design, children's books, sustainability/ environmental studies, literature and poetry—our publishers' authors are among the most distinguished and honored in the publishing community. To our customers, Consortium represents a source of books of quality and distinction.

About Cuento de Luz

Cuento de Luz publishes stories that take the imagination on a journey and help care for our planet, respect differences, eliminate borders and promote peace. Thus, all books touch on topics such as bullying, generosity, respect, health, love for nature, etc. Since its inception in 2010, it has received more than 55 international awards for the quality of the stories and the illustrations. All of the books are available in Spanish and English through major retailers, at wholesalers nationwide and directly through PGW and Legato. Cuento de Luz has been featured in the Wall Street Journal, CNN en español, MSN Latino, Huffington Post Voces, or Univision Radio, among others, and has been praised in industry publications. Cuento de Luz respects the environment and contributes to the protection of nature, incorporating sustainability principles by the means of eco publishing.

About Flying Start Books

Red Rocket Readers is an award winning, leveled reading program, from the home of Guided Reading, New Zealand. Now with over 550 titles (with US editions), it has been designed to cater for all children in the formal learning to read process, from pre-school to competency. Ideal for Guided Reading Groups or as a supplementary part of any Instructional, Remedial, or ESL Reading Program. Red Rocket Readers' focus is on early reading success, by building a strong foundation in literacy, then progressing gradually through the carefully controlled levels. Every title has been officially leveled by Fountas & Pinnell. With a 50/50 split of interesting fiction and non-fiction themes, Red Rocket Readers feature full-color illustrations and highly appealing photographs, along with guidelines for teacher support. Big Format Books and Spanish editions complete the series. The Joy Cowley Club - Introducing delightful new material from Joy Cowley, bestselling author of Mrs Wishy-Washy.

About Galaxy Press

Galaxy Press is the publisher and distributor L. Ron Hubbard's fiction library, including perennial and New York Times bestsellers such as *Battlefield Earth*, *Fear*, *Final Blackout*, *To the Stars* and his short story collection known as the *Stories from the Golden Age*. These are classic works that cross into young adult reading. They have been Lexile rated and are part of the Accelerated Reader program used in many schools across the country. Educational aides have been developed for many of the titles to assist reluctant readers and improve reading skills and engagement, while instilling the love for great storytelling.

About Gale/Cengage

Gale Reference For over 60 years Gale, a part of Cengage Learning, has been a leading producer of award-winning and widely-reviewed reference material. Virtually every K-12 school, university and public library in the United States uses Gale products. Gale Reference products range for the recently released Encyclopedia of Islam and the Muslim World, 2nd Edition to the annual College Blue Book, and the on-going For Students series. Thorndike Press Thorndike Press publishes more bestsellers than any other publisher – in Large Print. Studies have shown that Large Print enhances understanding, engagement and comprehension increasing reading fluency especially for struggling readers and ESL students. Many titles are released simultaneously with their regular print editions, often with the same cover. Thorndike Press offers a range of Young Adult titles, including Newbury Award winners and new work from John Green, Rick Riordan, JK Rowling, Veronica Roth, Lois Lowry, and many others.

About KANE PRESS, INC.

Kane Press is an award-winning publisher of over 200 illustrated titles for children in Preschool to Grade 5 (ages 3 to 11). We publish both fiction and nonfiction titles, picture books and chapter books, all with an educational underpinning. From math and science to mysteries and history, Kane Press's goal is to intrigue, inspire and educate youngsters using clever plots, appealing characters, and kid-sized dilemmas that children can relate to. Our titles can be read aloud to younger children, enjoyed by independent readers, or used as part of a shared reading experience to engage emerging readers. Kane Press's titles are available in hardcover and softcover editions, and in e-book format.

About No Starch Press

No Starch Press publishes the best STEM books for kids, including top performing titles on coding languages like Scratch, Python, and JavaScript, and Maker books on LEGO robotics, Arduino, and electronics. Our titles have personality and attitude, our authors are passionate about their subjects, and we read and edit every book that bears our name. With rave reviews from key educational sources like SLJ, NSTA Recommends, Kirkus, and Booklist, you can rest assured our books will please teachers, parents, and kids alike. “The STEM movement isn’t just about turning kids into future Facebook employees or getting stock options in the next big tech boom; it’s about empowering kids to understand the devices and software that they use every day, and to let them know that they have control over technology.” —Bill Pollock, Founder

About Orca Book Publishers

Orca publishes books for K-12 including popular series for struggling readers (Orca Soundings, Orca Currents, Orca Sports), middle school nonfiction (Orca Footprints, Orca Origins), baby board books, YA fiction and more. Many titles are leveled and have accompanying resources and teachers' guides. Ebooks available for all titles. Always looking ahead, Orca Book Publishers is continually changing and growing, finding ways to make our content available as widely as possible. With a changing industry and rapidly shifting world, we see opportunity and potential wherever we look. Moving beyond the printed page, the audience for the quality fiction and nonfiction we publish continues to grow and expand as the means to reach readers multiply and as reading and literacy are more important now than ever before.

About Owlkids Books

Owlkids Books publishes entertaining, high-quality books for children aged 3-13. We strive to nurture the potential of children and install a love of reading and learning—about themselves and the world around them. With bestselling picture books like *You Are Stardust*, *The Flat Rabbit* and *Windblown*, middle grade non-fiction like *It's Catching*, *Why Do We Fight?* and *Starting from Scratch*, Owlkids has developed a reputation for taking on big ideas and being able to communicate them effectively to children. We ensure just the right tone and enough humour to be sure kids have fun when they read our books.

When do you announce new titles and in what format?

We publish seasonal catalogs in September for Spring and April for Fall with the addition of an annual backlist catalog.

About Peachtree Publishers

Peachtree publishes quality hardcover and paperback fiction and nonfiction for children. We at Peachtree have dedicated ourselves to the craft of publishing for 40 years and we have over 500 titles in print, many of which have won critical acclaim and awards. Our list includes picture books, early readers, middle grade books, young adult literature, and adult titles. We are actively working on curriculum-alignment of our titles. The vast majority are leveled for Accelerated Reader, Fountas & Pinnell, Lexile, and Reading Recovery. Categories we publish include nature, historical fiction, series, mystery, and more. Among our authors and illustrators you will find Carmen Agra Deedy, William Bee, Alex Latimer, Cathryn and John Sill, Bill Harley, Fred Bowen, and Susan Stockdale. Our list includes the imprints Peachtree Petite for board books and Peachtree Audio for recorded books. Many titles have teacher guides available and are downloadable from our website at www.peachtree-online.com.

About Purple Toad Publishing

We specialize in narrative non-fiction books. Many of these are written in first person perspective to engage the readers. We pick subjects that are not only important to curriculum, but topical and full of diversity. Tolerance and celebration of diversity are common themes in our books. We strive to make our books beautiful and thoughtful to ensure they remain in the minds of young readers long after that last page is read. It is a fascinating and colorful world out there and our books reflect that world!

About Tilbury House Publishers

An independent publisher founded more than forty years ago, Tilbury House is adding home, gardening, and nautical nonfiction to its deep list of Maine and New England arts, literature, history, maritime history, and natural history titles. Since the 1990s we have built an award-winning list of children's picture books emphasizing cultural diversity, social justice, and global empathy. These and our nonfiction science, nature, and history books for children and teens challenge young readers to engage, inquire, and imagine. Designed for the book trade, our children's books often include back matter and supplemental reader guides for home and classroom use.
